DAY 3 – Friday, November 2 – Altotting MARIAN SHRINE – Passau – All Souls Day
Following breakfast, we board our bus for a drive through the beautiful Bavarian countryside to Altotting often called “The Lourdes of Germany” due to the thousands of pilgrims who come here every year in search of healing. Today the shrine attracts over one million pilgrims each year. The many crutches and other votives on display there testify to the healings attributed to the intercession of Our Lady of Altotting. In 1980 Pope John Paul II made a pilgrimage here. A young Joseph Ratzinger came here with his father when growing up and it is known to be one of his favorite shrines long before he became Pope or even a Cardinal.

Many young people from Germany make pilgrimages here in the summertime, often walking for 50 miles or more on their journey. We see the “Black Madonna”, a wooden statue of the Virgin Mary. Opposite the altar, the hearts of the Bavarian Dukes, Kings and Electors are stored in richly decorated silver urns as a special sign of the deep and loyal ties to the Bavarian national Shrine. Among them the heart of the fairy tale king Ludwig II. We visit the Basilica of St. Anna, the Holy Chapel, Collegiate Church, and the treasury, housing the gifts donated to the Basilica. Celebrate Mass at St Konrad Monastery. Following lunch (not included) we depart for Passau where we embark on the cruise ship, our comfortable home for the next seven nights. Important information regarding your trip:

Group Air:
Select International Tours is a tour company that specializes in group travel. A group is ten or more people traveling together. For each group we negotiate and secure group air contracts with all major airlines departing from the designated airport. This enables us to keep all passengers within a group traveling together, in most cases utilizing best air rates.

Group air contracts differ from individually purchased airline tickets in many ways. When group air contracts are negotiated, we deposit a certain number of seats to hold the space and GTD the rate. Unused seats must be released at least 90 days prior to departure to avoid a $100.00 per unused seat penalty.

It is important to receive your registration by the deadline stated on the flyer. Once the seats are released back to the airlines, we may be able to accommodate passengers at a different air rate or on a different airline.

Group air contracts limit types of deviations allowed and in some cases issuing tickets at individual rates may be necessary. Individual rates & reservations are not GTD until the tickets are issued. In order to issue an individual ticket we must receive full payment. Taxes and fuel costs are subject to change until the tickets are issued.

Domestic add-on tickets:
We can assist you with domestic air to connect with our international group air if you wish. Indicate on the registration form which airport you wish us to research air from. We are not responsible for fees or charges incurred in case dates change or the trip is cancelled. However, when buying a domestic add-on ticket through Select we may be able to assist in case of changes.

We will provide you with best schedule to connect with the flight (we are not able to help you with tickets that do not connect directly to the international flight) and the best price we can offer. Our information will be sent to you by e-mail. We require an acceptance within 24 hours of our offer along with full payment otherwise the rate is subject to change based on availability. We cannot quote any domestic air requests more than twice.

Business Class and Economy Plus Seats:
We are happy to assist you with business class and economy plus seats. Passengers must be registered on one of our trips to receive a quote. We will quote the available rate which is subject to change until we receive payment to purchase the seats. Usually Economy Plus Seats require the group tickets to be issued before the ability to upgrade.
Passport and Visa information:
All airlines require us to submit valid passport information including full name (first, middle and last), date of birth, gender, country, in which your passport has been issued and passport expiration date. To ensure that we can provide this information accurately, we require a photo copy of each person’s passport traveling on each tour. Your passport must be valid 6 months from the trip return date. It is the passenger’s responsibility to check if visas are required for the destinations visited and to obtain any necessary travel documents. Select International Tours does not provide information or assistance about passports or visa requirements.

Frequent Flyer Numbers:
Select International cannot assist if you wish to reserve air using FF miles. We can update your record with Frequent Flyer #’s only if you note the number on the registration form. Otherwise please call the airline directly.

Seat Requests & Seat Changes
Select International Tours DOES NOT provide assistance with passenger’s seating preferences or specific seat requests. Due to the large number of passengers we work with, we are unable to provide this service unless the request is due to a medical issue. In this case, we will request a seat with the airline but cannot guarantee that the seat will be confirmed. Please understand that although requests are being made directly with the airline, not every request is guaranteed or granted by the airline. If you would like to have a seat number assigned, it is best to contact the airline directly upon receipt of your ticket confirmation # or change your seats at the time of check-in at the airport prior to departure.

“Land Only” (not purchasing group air with Select International Tour Package:
We understand that some passengers may wish to purchase their own air transportation. Arranging transportation on your own may give you the ability to use flight miles for your ticket, secure the seat you desire/require, or deviate from the group. We offer land only prices on all our tours.

Airport transfers are not provided for passengers purchasing land only (not purchasing air with us) if arriving or departing at any time different from the group. If you wish to enjoy the benefit of the group transfer, please be sure you are at the airport at the same time as the group. On certain itineraries airport transfers, may be very costly as the group may be traveling a far distance from the airport on the first or last day.

If the flight schedule you purchase arrives or departs at a time different from the group, it is your responsibility to join the group either at the airport or at the first hotel.

If you register for the air and land package and convert to land only, a $ 100.00 service charge will be assessed should the change be made within 90 days of departure.

Flight cancellations or delays:
In case your flight is cancelled or delayed please work with the airline directly at the airport to be rebooked on the first available flight out. Once you know your new flight and time of arrival contact the emergency number provided in your travel documents to notify your guide of the delay. Your travel documents will contain an emergency number and the guide’s phone. Any incurred costs are out of pocket and not included in the trip cost. The cost of private transfers in case of delays are not covered as part of your trip cost. You may file a claim with your Travel Protection Insurance company or with the airlines upon your return. Receipts will be required.
Single rooms:
A limited number of single rooms are available on each trip. If you wish to share a room let us know at the time of registration. We will attempt to connect you with another person looking to share. The cost of Travel Protection insurance will be adjusted to reflect the single supplement as insurance cost depends on total trip cost. Should we not be able to accommodate all single room requests and you are not able or willing to share, a complete refund will be provided.

If your roommate cancels, and the room is converted into single usage, a single supplement will be charged.

How much walking will there be on this trip?
This active program covers a good amount of ground each day. The days are busy, usually starting with a wake-up call around 7AM and departure by 9AM or earlier. We aim to be back at the hotel between 5PM and 6PM. Times may vary depending on destination and program.

Expect from three to four hours walking on some touring days. The pace is moderate, however you will encounter some uneven surfaces, stairs, steps, cobblestones, and significant slopes. Some tours require walking in the open air with no shade and no seating available.
