

About Select International Tours Pilgrimage Blog

Select International Tours and Cruises(SITC) is a faith-based group tour operator specializing in Catholic, Orthodox, and Protestant Christian pilgrimage trips. Our *Pilgrimage Blog* showcases personal stories of pilgrimage and timely and pertinent information for travelers who are considering or departing on pilgrimage.

Select International Tours and Cruises has been in business for 34 years, and our longevity and experience are due--in no small part--to our high professional standards.

What we're looking for:

- Original, insightful, and relevant pilgrimage stories that appeal to our faith-based audience.
- Relevant and timely travel articles that help would-be pilgrims better prepare for international group travel.
- Advice on traveling with others
- Tips and tricks for preparing to travel; both logistically and spiritually
- Before you pitch, please be familiar with our blog, the articles already published, as well as the voice and tone used.

Please tell us if your trip was complimentary or if you received compensation (in any form) for the pilgrimage you are reporting. Also, please disclose any previous publication of your story or submission.

How to Pitch

Please use the form located at <https://selectinternationaltour.com/career/> to send us a 150 word (or less) summary of your proposed submission. Our staff will read through the pitches and

respond to authors who catch our attention to ask for a draft. If the draft is accepted, our Marketing Manager will work with you to develop the article and any associated photographs, artwork, etc.

Select International Tours prefers to buy All Rights to published works and photographs. If we like your pitch, we will discuss compensation and applicable rights to the work at that time.

Authors will have a byline and headshot for any article published on the blog with one hyperlink to their website.
