Important information regarding your trip:

Group Air:

Select International Tours is a tour company that specializes in group travel. A group is ten or more people traveling together. For each group we negotiate and secure group air contracts with all major airlines departing from the designated airport. This enables us to keep all passengers within a group traveling together, in most cases utilizing best air rates.

Group air contracts differ from individually purchased airline tickets in many ways. When group air contracts are negotiated, we deposit a certain number of seats to hold the space and GTD the rate. Unused seats must be released at least 90 days prior to departure to avoid a \$ 100.00 per unused seat penalty.

It is important to receive your registration by the deadline stated on the flyer. Once the seats are released back to the airlines, we may be able to accommodate passengers at a different air rate or on a different airline.

Group air contracts limit types of deviations allowed and in some cases issuing tickets at individual rates may be necessary. Individual rates & reservations are not GTD until the tickets are issued. In order to issue an individual ticket we must receive full payment. Taxes and fuel costs are subject to change until the tickets are issued.

Domestic add-on tickets:

We can assist you with domestic air to connect with our international group air if you wish. Indicate on the registration form which airport you wish us to research air from. We are not responsible for fees or charges incurred in case dates change or the trip is cancelled. However, when buying a domestic add-on ticket through Select we may be able to assist in case of changes.

We will provide you with best schedule to connect with the flight (we are not able to help you with tickets that do not connect directly to the international flight) and the best price we can offer. Our information will be sent to you by e-mail. We require an acceptance within 24 hours of our offer along with full payment otherwise the rate is subject to change based on availability. We cannot quote any domestic air requests more than twice.

Business Class and Economy Plus Seats:

We are happy to assist you with business class and economy plus seats. Passengers must be registered on one of our trips to receive a quote. We will quote the available rate which is subject to change until we receive payment to purchase the seats. Usually Economy Plus Seats require the group tickets to be issued before the ability to upgrade.

Passport and Visa information:

All airlines require us to submit valid passport information including full name (first, middle and last), date of birth, gender, country, in which your passport has been issued and passport expiration date. To ensure that we can provide this information accurately, we require a photo copy of each person's passport traveling on each tour. Your passport must be valid 6 months from the trip return date. It is the passenger's responsibility to check if visas are required for the destinations visited and to obtain any necessary travel documents. Select International Tours does not provide information or assistance about passports or visa requirements.

Frequent Flyer Numbers:

Select International cannot assist if you wish to reserve air using FF miles. We can update your record with Frequent Flyer #'s only if you note the number on the registration form. Otherwise please call the airline directly.

Seat Requests & Seat Changes

Select International Tours DOES NOT provide assistance with passenger's seating preferences or specific seat requests. Due to the large number of passengers we work with, we are unable to provide this service unless the request is due to a medical issue. In this case, we will request a seat with the airline but cannot guarantee that the seat will be confirmed. Please understand that although requests are being made directly with the airline, not every request is guaranteed or granted by the airline. If you would like to have a seat number assigned, it is best to contact the airline directly upon receipt of your ticket confirmation # or change your seats at the time of check-in at the airport prior to departure.

“Land Only” (not purchasing group air with Select International Tour Package:

We understand that some passengers may wish to purchase their own air transportation. Arranging transportation on your own may give you the ability to use flight miles for your ticket, secure the seat you desire/require, or deviate from the group. We offer land only prices on all our tours.

Airport transfers are not provided for passengers purchasing land only (not purchasing air with us) if arriving or departing at any time different from the group. If you wish to enjoy the benefit of the group transfer, please be sure you are at the airport at the same time as the group. On certain itineraries airport transfers, may be very costly as the group may be traveling a far distance from the airport on the first or last day.

If the flight schedule you purchase arrives or departs at a time different from the group, it is your responsibility to join the group either at the airport or at the first hotel.

If you register for the air and land package and convert to land only, a \$ 100.00 service charge will be assessed should the change be made within 90 days of departure.

Flight cancellations or delays:

In case your flight is cancelled or delayed please work with the airline directly at the airport to be rebooked on the first available flight out. Once you know your new flight and time of arrival contact the emergency number provided in your travel documents to notify your guide of the delay. Your travel documents will contain an emergency number and the guide's phone. Any incurred costs are out of pocket and not included in the trip cost. The cost of private transfers in case of delays are not covered as part of your trip cost. You may file a claim with your Travel Protection Insurance company or with the airlines upon your return. Receipts will be required.

Single rooms:

A limited number of single rooms are available on each trip. If you wish to share a room let us know at the time of registration. We will attempt to connect you with another person looking to share. The cost of Travel Protection insurance will be adjusted to reflect the single supplement as insurance cost depends on total trip cost. Should we not be able to accommodate all single room requests and you are not able or willing to share, a complete refund will be provided.

If your roommate cancels, and the room is converted into single usage, a single supplement will be charged.

How much walking will there be on this trip?

This active program covers a good amount of ground each day. The days are busy, usually starting with a wake-up call around 7AM and departure by 9AM or earlier. We aim to be back at the hotel between 5PM and 6PM. Times may vary depending on destination and program.

Expect from three to four hours walking on some touring days. The pace is moderate, however you will encounter some uneven surfaces, stairs, steps, cobblestones, and significant slopes. Some tours require walking in the open air with no shade and no seating available.

THE BENEFITS OF REGISTERING ONLINE FOR YOUR PILGRIMAGE:

Over the last several years, our clients have requested more control over the trip booking process, payments, and, most importantly, communication about the trips. Our response to these comments and requests had taken two years to implement, but we are happy with the results. Select has committed to a major financial and time investment in building an online reservation system that is easy to navigate using your home computer, tablet, or smartphone. We have addressed most of the requests and suggestions provided by clients. The benefits of the new system to you are a simplified registration process, the ability to access your information at your convenience, review your payment history and get trip information while easily communicating with your Account Manager and group leader.

When you register online, you will receive regular email updates about your trip and useful tips and tricks for making your international travel more comfortable and enjoyable. And best of all, you can register online even if you prefer to pay by check or wire transfer; just choose that option upon checkout.

We understand that some people are not comfortable with technology and prefer to register via mail-in paper registration, regardless of the many benefits of registering online. To make that easy, we have created a generic registration form on our website at <https://selectinternationaltours.com/register-online/>. You may download and print the form, fill it out and mail it with your check to Select International Tours. However, before you choose to register by mail, please know that we cannot communicate with people who do not register online as frequently and seamlessly. And you may miss some important communication regarding balances and trip preparation, as well as communication from your group leaders. We want you to be in charge and be comfortable with the registration process; our job is to inform you so you can choose the best system for you.

To learn how easy it is to register online, please view THIS SHORT 6-minute VIDEO that explains the process at <https://selectinternationaltours.com/register-online/>.
